Appellant must order any necessary transcript, completing a separate transcript order form (and separate CJA 24 Form) for each reporter and submitting the order to the court reporter and the district court within 14 days of noting the appeal. The completed form must show that necessary financial arrangements have been made or that a CJA 24 Form has been submitted to the district court for approval. Copies of the transcript order form must be attached to the docketing statement filed in the Court of Appeals and served on opposing counsel within 14 days of docketing of the appeal, or the appeal will be subject to dismissal pursuant to Local Rule 45. If appellee finds other parts of the proceedings necessary, appellee must designate the additional parts within 14 days after service of the transcript order. If appellant has not ordered the additional parts within 14 days, appellee may, within the following 14 days, order the additional parts or move in the district court for an order requiring appellant to do so. In sentencing appeals, a transcript of the sentencing hearing must be ordered. In Anders appeals, plea (or trial), suppression, and sentencing transcript must be ordered. If appellee wishes to obtain a copy of transcript ordered by appellant, appellee must order a copy from the court reporter. In multi-defendant cases involving CJA defendants, only one original trial transcript should be purchased from the court reporter on behalf of CJA defendants, and copies should thereafter be made at commercially competitive rates. Counsel must review transcript and notify the district court of any intention to direct redaction of personal data identifiers within 7 days of filing of the transcript, and thereafter submit a statement of redactions to the court reporter within 21 days of filing of the transcript, as required by the Judicial Conference Policy on Privacy and Public Access to Electronic Case Files. Counsel should verify that the witness name and type of examination appear in the top margin of each page of testimony, as required for inclusion in the appendix on appeal. Local Rule 30(b).
